

DCI/RM 79-1112

6 March 1979

MEMORANDUM FOR: RM & CT STAFF OFFICES

FROM:

Director, Community Legislative & Liaison Offices

SUBJECT:

"Omnibus Intelligence Community Reorganization
and Reform Act of 1979" (U)

1. Attached are a copy of the "Omnibus Intelligence Community Reorganization and Reform Act of 1979" and a copy of a summary and action proposal sent to me by Legislative Division, OLC. (U)

2. As [] points out in the OLC memo, there will be numerous objections to the Act, and perhaps a few areas of agreement. I would appreciate your reviewing the Act and delivering your comments to me by 14 March, so that I might prepare a response reflecting the overall ICS view. Note that OLC has asked for concurrence in his drafting a letter [] for the DCI's signature. I have already discussed such a letter briefly with Gary in response to his 2 March deadline, but feel we ought to be prepared to provide in-depth views on the legislation itself.
